

Executive Biography

Paul Bourke

CEO, National Bankruptcy Services; SolArc Board of Directors

Paul Bourke has served as CEO of National Bankruptcy Services since January 2007. Prior to joining the company, Bourke was president and CEO of a number of privately held software and Business Process Outsourcing (BPO) companies, including Burr Wolff LLC, Aurum Technology and Altra Energy Technologies.

In 1989, Bourke founded BISYS Inc., a software and BPO company competing in the financial services market. As president and COO he led the company through a successful IPO in 1992 and was instrumental in orchestrating the company's growth strategy throughout the 1990s resulting in an increase in sales of \$150 million in 2001 to \$800 million in 1998. His experience providing BPO and software solutions to national financial institutions and mortgage companies and his process re-engineering and software development experience complement the National Bankruptcy Services management team.

Born in Ireland, Bourke graduated from University College in Dublin, Ireland with a degree in economics and finance.
