

## Executive Biography

# Pete Luitwieler

SolArc Board of Directors

An energy industry veteran, Pete Luitwieler brings his international expertise in supply and logistics and executive IT management to his position on SolArc's board of directors.

Luitwieler was most recently the CIO at CITGO Petroleum, where he led a four-year re-engineering initiative which included a complex and successful SAP implementation. Prior to that role, he served as vice president of supply and logistics for CITGO where he was part of the executive team that developed and implemented CITGO's turnaround and subsequent purchase by, PDVSA (Venezuelan State Oil Company) in the late 1980s.

Luitwieler spent the first 20 years of his career with Gulf Oil with a heavy focus on international oil which included a two-year position leading Gulf Oil trading in Europe, Africa and the Middle East. During his time at Gulf Oil, Luitwieler rose to the level of vice president of supply and logistics.
