

Executive Biography

Roger Donovan

Managing Director, International Operations

As Managing Director of International Operations, Roger Donovan is responsible for all of SolArc's operations outside North America including sales, professional services, and partner management.

Prior to joining SolArc in April 2010, Donovan served in strategic executive roles at SunGard Energy and Commodities, SunGard BancWare, and Microbank Software. In these roles, Donovan demonstrated the ability to build, motivate and lead successful teams that deliver value to the business and its' customers.

Donovan earned his Bachelor of Science in Microelectronics and Computing from University of Bristol.
